To: Treasurer Island residents

Fr: Port of Grapeview Board of Commissioners

As boating season begins to ramp up for summer, we are excited that the Port of Grapeview can offer one of the best boat launch facilities in the area.

To maintain and improve our facilities we do charge for boat launches and parking. You can purchase an annual pass or use the kiosk located at the boat launch area for payment. Below are the fees for 2023 ([www.portofgrapeview.com](http://www.portofgrapeview.com)):

Annual Pass (Jan – Dec) \$100.00  
Daily Launch \$10.00  
Parking \$5.00  
Daily Launch w/Parking \$12.00

Kayak/Paddle Boards  
Daily Launch \$5.00  
Parking \$5.00

Everyone has been impacted by everyday goods and services getting more expensive. The Port of Grapeview has been impacted as well, but we have done our best to keep our fees reasonable. As one of the smallest port districts in the State, we also have the smallest tax levy amount to our residents at just 2-cents per one-thousand dollars. I am sure you can all understand how important these launch and parking fees are to maintaining and improving our facility.

We thank you for your understanding and we appreciate your use and help in maintaining our wonderful facility. We hope you enjoy your summer and have a safe boating season!

Sincerely,

Jean Farmer  
Commissioner District 3  
Port of Grapeview
